

## Intermission 2

My school,  
Akane High,  
doesn't have  
a very strict  
dress code.

Basically,  
you can  
wear what  
you like,  
when you  
like.

Officially,  
there are  
periods des-  
ignated for  
the summer  
uniform, the  
winter uniform,  
and the spring/  
fall uniform,  
but,

squeak

My personal  
preference is  
for the spring/  
fall uniform with  
three-quarters  
sleeves, so I wear  
it all the time.

You won't  
notice  
too much  
variation  
amongst  
the boys,  
but,

Among the girls,  
there are a lot  
who customize  
their uniforms  
according to  
their diverse  
tastes.

HARUI-SANI!

My class's  
representative,  
Harui Ayano.

It's not some-  
thing you see a  
lot of students  
wearing, so her  
huge scarf  
stands out a bit.

SHIMIZU-SAN.

I HADN'T  
SAID ANY-  
THING YET.

Waugh!..

**AH!**  
I'm not  
slacking off  
or anything!  
Honest!!

Also, she's  
very short.

Frankly, it's  
adorable.

WHAT  
IS IT?

I  
I REALLY  
WASN'T!  
HONEST!

SO, SLACKING  
OFF, WERE YOU?

Very  
interesting

SHI-  
SHIMIZU-SAN!!
